We partied hard at our awards ceremony the other night – and many thanks to those of you who voted. *Club* cover girl of the year was announced - more on that next month, along with plenty of photos – but that's not the same as *Club* Girl of the Year. Yup, we'll be asking for your votes for that next month, so start racking your brains as to which girls have stirred your loins the most this year. We know it's going to be competitive, and it's going to be close. But looking back over the last year's issues? Lush...

THE LOWE DOWN!

Dear Club,
Ok, I can die a happy man. I've watched Danielle Maye evolve from a shy little model into a genuine world-class glamour star – and a naughty one to boot (she sells some pretty rude clips of herself online. I know, I've bought some!) – but those photos of her with Lexi Lowe might be my favourite ones of her yet. They just looked like they couldn't wait to tear into each other. Their obvious attraction to each other leapt from the pages and I'd have given my right nut to see what happened after you turned the cameras off!
Matt, Derby

She's really something isn't she? As for Lexi, we met her in the flesh for the first time recently at the Erotica exhibition and she's one of the nicest girls we've ever dealt with. Put them together? Wow. They were well into each other as you say, and getting them to stay on the side of what we can legally show in the UK was a full-time job!

Dear Club,
I've never had a girlfriend with big tits before, but now I have I'm more than making up for it! When I met her a few weeks ago, I fancied her straight away as she has a really pretty, angelic face, but I didn't quite realise how big her chest was. In public, she tends to wear quite supportive bras and black tops, so as not to be too obvious about them. However, when I first went to stay at her house and she came back from the bathroom wearing just a silk dressing gown, they were there in all their glory!

As she walked towards me, I could see her cleavage jiggling through the gap in the material and I just stared at them intently. "So, you like big tits then?" she asked brazenly. Undoing the silk belt, the gown parted to show off her gorgeous tummy underneath them, which was flat but untoned and therefore incredibly feminine. I was sitting on a stool at her breakfast bar, and as soon as she was close enough, my hands instinctively reached out for her chest. Taking handfuls of her tits, I began to knead them, feeling the brown nipples stiffen between my fingers. She let me indulge myself, and occupied her time undoing my trousers. Once my already rigid dick sprung from them, she lowered herself down. My shaft was now lost in her fleshy breasts, and pushing them together she gripped my dick between them.

She certainly knew how to use them, wanking me perfectly as I just stared in awe at the sight before me. I wanted to fuck them properly, so I lowered her onto her back on the carpet. Mounting her chest, I guided my length between them until the tip of my dick was pushing through against her chin. Extending her tongue as far as it would go, she managed to take my bell-end against it for a few strokes as I drove my cock between them.

Knowing I'd been selfish long enough, I went down on her, but still couldn't stop myself from reaching up and massaging them as I lapped at her pussy. I knew I had to get inside her, and I pushed the head of my aching dick into her sweet little cunt. I wanted her on top, and once I was deep inside I rolled her over until I was underneath. Placing her hands on my chest, she began to ride me hard, grinding her hips expertly in sensual, circular motions.

I was just lost in the moment, staring at her bouncing tits and straining upwards to bite at the nipples. She was about to cum, and the moment she did her body shuddered, falling forward onto me, covering my face in her heaving chest. This was just too much! My jizz raced through my shaft, flooding deep inside her as I cradled her soft bum in my arms, licking her boobs. My prick twitched at least ten times, squeezing out every drop that she'd produced in me!

I can't even begin to tell you how amazing it is when I fuck her doggy style and can grab hold of those breasts from behind! Even better when she rides me reverse cowgirl, and I hold her big tits and pull her back towards me. Like I said at the start, I'm making up for lost time!
Julian, London ♣

BATH BOMB!

Dear Club,
I tend to get obsessed with certain porn stars for a couple of years at a time. Like everyone else I was big on Jenna Jameson, then Inari Vachs, Alisha Klass, and others too numerous to mention. I'll watch all their movies, collect all their photo sets, any mag they're in. So I wanted to say thank you to *Club International* for publishing pictures of my favourite girl of the moment, Chanel Preston. And the decision to put her in the bath? Inspired! Despite her model looks, this is one very, very filthy girl and I imagine she has to take a lot of them!
Aaron, Camden

Ah, Inari Vachs! We'd forgotten about her – she was amazing. We can't fault you for liking Chanel either, she's one of today's top porn stars. Holly Randall works brilliantly with the finest adult actresses, so it was a marriage made in heaven!

And so we're not going to either, even if our kind of fox-hunting doesn't involve homoerotic tumbling through the undergrowth on horses. No, ours involves finding red hot ladies like Megan who you probably haven't seen before, teaming them with a world class photographer and then removing all clothes. Hers, not ours... ♣

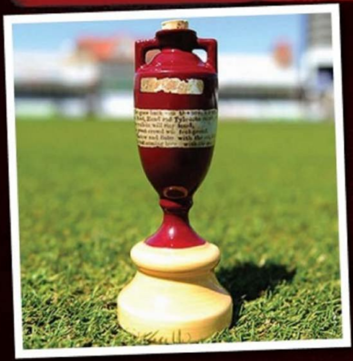
Club's ROUGH GUIDE

It only seems like five minutes since England's cricketers were (allegedly) pissing on The Oval pitch to celebrate yet another Ashes victory. Matt Loxham wonders if they'll be brave enough to repeat the feat in Australia. Erm, win the Ashes, that is...



The Ashes 1st Test

Brisbane, Australia
21st to 25th November

What a glorious time this is for English cricket, and it might easily get even better over the next few months. No sooner have Alastair Cook and co finished urinating... sorry, celebrating the Aussie-drubbing that was the summer Ashes series than they've got another one to look forward to, and this time the humbling can take place in the Aussie's own back yard, just like three winters ago.

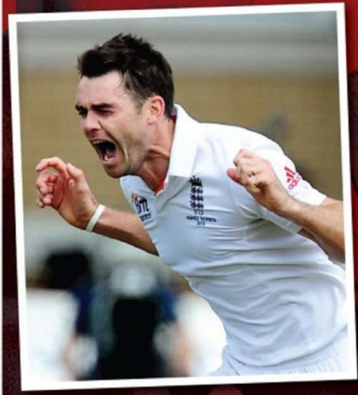
It's a wonder the whipping boys from down under are even bothering to go ahead with this one-sided sham such is the humiliation they've suffered at the hands of England over the last few Ashes series: "Cancel all Qantas flights from London, and don't allow anyone into the country carrying a cricket bat, a small urn, and wearing the swagger of a man used to winning, mate."

Of course all this confidence could well be misplaced and the incredible run naturally has to come to an end at some point, but anyone who was subject to the misery the Aussie sides of the 90s and early noughties heaped on England series after series (eight in a row to be precise), home and away, will surely advocate the same approach to what is rapidly turning into a golden period. As someone like Graham 'Goochy' Gooch might say, "Milk the fuck out of it and make the most of seeing the Aussies struggle".

Hyperbole aside, what does the cricketing barometer predict will happen when the two sides take to the crease in Brisbane? Well, technically speaking most insiders think it all hinges on whether England play to their potential or bollock it all up by being too casual. Several things are for sure: Captain Cook will have to overcome his back injury and open the batting with vigour alongside youngster Joe Root, Ian Bell will have to emulate his run-scoring heroics of the summer, and off-spinner Graeme Swann, the leading wicket taker in the last Ashes series, will have to be resolute against a team vowing to single him out for some big hitting. Seamer Stuart Broad, who caused so much controversy by not walking when out during the first test last summer, might have to wear ear-plugs if he's to block out the sledging and an angry crowd and concentrate on the job of toppling the Aussie wickets.

If England aren't on the money from the off then they could well have their hands full against an Australian team gradually getting back its confidence. Captain Michael Clarke has reportedly shaken off his back injury and was talking up the chances of his improving team at the time of writing, with combative batsman David Warner, who famously punched Joe Root in a Birmingham Walkabout boozer during the last Ashes series, emerging middle-order man Steven Smith and talented all-rounder Shane Watson singled out as the ones to watch.

The scene is set for a fascinating tussle Down Under, and a place for England in the history books at stake. Will the Aussies piss on our parade or will we piss on their pitch? Let battle commence...



Carl Froch vs George Groves

Manchester Phones4u Arena 23rd November

Boxing can be a bit of a confusing and frustrating business. There are multiple titles at each weight, all of varying degrees of credibility, and more belts up for grabs than in a closing down sale at Top Man. Champs fight chumps and we're led to believe by the shameless pay-per-view hype machine that the chump actually has more than a puncher's chance. Then, after laying out

a string of these no-hopers, the champs refuse to fight one another because it's too easy to make money by fighting chumps.

Every now and again a promising fighter is given the opportunity to beat up on one of the belt-holders and shake up the division a bit, but these bouts are fairly few and far between. It's no wonder fans are getting disillusioned with the game and hankering for a more genuine and competitive sport where the champs are the undisputed best and worthy contenders fight like tigers for the next opportunity to try and knock them off their perch. The problem with boxing today is that you never really know if it's a proper match-up or if the promoters are taking the piss.

Take this bout for example, between Carl 'The Cobra' Froch and George 'The Saint' Groves, the perfect example of a potentially overhyped fight that might just as easily turn out to be a classic battle of the Brits. Think David Haye versus Dereck Chisora, which could easily have been the former but, happily for the 30,000 fans who paid to watch it at West Ham's Upton Park, turned out to be more the latter.

Froch is the seasoned veteran with two world titles to his name and everything to lose. Groves is the promising and still unbeaten young pugilist yet to mix it with the very best. Many, the promoters and Sky Sports included, would have you believe that this is a tantalising prospect, a potentially great tear-up between the classy champ and the hungry contender – some 20,000 tickets sold out in around ten minutes.

On paper, however, Froch should completely outclass Groves. Indeed, in one of the several pre-fight meetings between the two, Froch has stated that Groves doesn't even deserve to be in the ring with him, although he has also referred to his opponent as a 'potential banana skin'. Who knows, if Groves steps up and gives the fight of his life then he could possibly upset the champ, although the man from Hammersmith might as easily find himself on the canvas inside five.

As the pay-per-view bods try to tempt armchair fans into parting with their hard-earned to see this bout, as usual with boxing it all comes down to one thing: do you believe the hype this time?

> "Froch has stated that Groves doesn't even deserve to be in the ring with him but also that he's a potential banana skin"

The NBA Season

Various Venues across the US
Until June 2014

It's the question on everyone's lips: how do I switch my energy provider? But I'm not here to write about that. The big question I want to ponder is: can the Miami Heat make it three NBA titles in a row and become only the fourth team in history to achieve such a feat.

To be completely honest, I don't really know enough about the NBA and basketball to make a genuinely educated prediction, but the bookies seem to think so, and judging from the Heat's impressive win on the opening day of the season over rivals and potential party-poopers the Chicago Bulls, they may be right. The fact that the men from Miami have retained superstar players LeBron James and Chris Bosh probably hasn't done their chances any harm either.

With the Bulls floundering early doors and their talismanic point-guard Derrick Rose still finding his feet after missing the whole of last season through injury, thoughts have turned to other teams that might stand in the way of Miami's relentless march.

Those in the know are tipping the Oklahoma City Thunder, an improving outfit that have had their roster boosted by the return from injury of scoring machine Kevin Durant. Last year's finalists the San Antonio Spurs have also got the pundits purring, although the age-defying form of 37 year-old Tim Duncan is crucial to their hopes. The Brooklyn Nets and the LA Clippers can often be found in the same sentence as 'dark horses' or 'great potential'.

The Heat are the team to beat, but a whole host of teams might achieve the feat of stopping their three-peat. I thank you. ♣

She's the limit...

The day Skye came into the office and told us her name was Skye Bee, we had lots of hilarity calling her BSkyB and Squarial and such like. Of course, as we're mostly around 40 and she's 20, she didn't get it and just busied herself while we got over ourselves. And she's right. Why should she care about the TV stations of yesteryear when she's got tomorrow's world at her feet? So we eventually stopped sniggering and then got on with quietly perving over yet another red hot debutante, and this one a Brit to boot. Just when you think it's a quiet time for new models coming through, someone like Skye arrives on the scene and even makes us stupid drunks stop making crap jokes for a few minutes... ♣

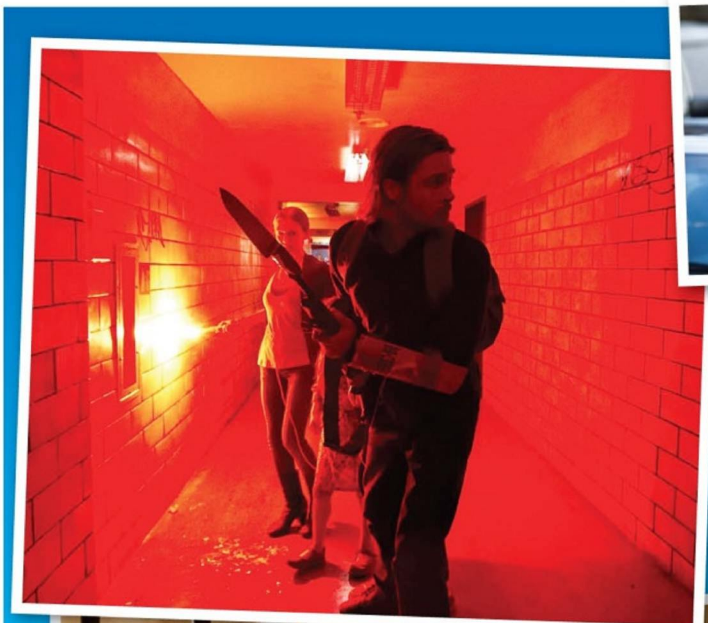
RATINGS: ★ THE PITS ★★ PITBULL ★★★ THE PIT AND THE PENDULUM ★★★★ BRAD PITT ★★★★★ INGRID PITT



World War Z

(Paramount Home, Blu-ray £14.99, DVD £10)

Advance word on this was terrible. Max Brooks' genre novel has many fans, and the combination of director Marc Forster (*Finding Neverland*, *Stranger Than Fiction*) and Brad Pitt seemed perfect to bring it to the big screen. But then the director and his star fell out (apparently – Pitt's absence from many of the DVD and Blu-ray extras tells its own story) and there were rumours of re-shoots.

So it's surprising that it works so effectively. Zombie movies and TV shows are everywhere, but few are bringing anything new to the over-exposed genre. We've seen fast zombies before, but these ones are vicious, fast and capable of working together. It all spells bad news for the human race.

The film works best in a series of stunning set-pieces. An early one sees how quickly the zombie plague spreads through a crowd. A second sees a seemingly impregnable wall in Jerusalem scaled by a horde of zombies. A third takes place on a plane and so will never be screened in-flight. Add in a taut, tense finale that leaves a sequel open and you've got more than enough to justify this film's existence, if not its $190M budget. Pitt is effective, although the film is hampered by the lack of impact of any other actor, even a hammy David Morse. Whether Forster or Pitt will return for a sequel is another matter... ★★★★

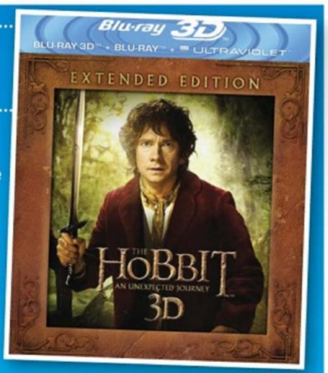
Behind The Candelabra

(Entertainment One, Blu-ray £12.99, DVD £10)

Steven Soderbergh couldn't get a studio to back this, so instead directed perhaps the best TV movie ever made. It takes a slice out of the life of Liberace, detailing his relationship with Scott Thorson over a period of time. It's camp, it's glitzy, it's kitsch, but it's also sad and moving. Michael Douglas takes the lead and is Oscar-worthy, while Matt Damon is reliably excellent and Rob Lowe steals every scene he's in as a cosmetic surgeon whose own face is out of control. If this is to be Soderbergh's directorial swan-song, it's a fine one, a film up there with *Traffic* and *Out Of Sight* among his very finest. ★★★★

The Hobbit Extended Edition

(Warner Home, Blu-ray £17, DVD £14)



For some, this is too much of a bad thing. For we Tolkien-nerds, just a little bit more of Peter Jackson in Middle Earth is a very good thing indeed. The extra scenes here don't add much other than a touch more flavour, and certain bits breathe more easily as a result. There are 13 extra minutes all told, all on the one disc, while the other two discs are packed full of brilliant extras, documentaries and behind-the-scenes footage. Exclusive to this release is the Peter Jackson / Philippa Boyens commentary. Should they have made it into three movies? Only time will tell. For us, right now, they could have made ten out of it and we wouldn't complain. ★★★★

The Night Of The Hunter

(Arrow Academy, Blu-ray £12.90)

Despite time according it classic status, *The Night Of The Hunter* was a critical and commercial flop upon release in 1955. As a result, Charles Laughton never directed another film. File with *Peeping Tom* under films too scary for their time – this is a genuine chiller shot in a neo-German expressionist style. Robert Mitchum is never better than as the sinister preacher hunting children to find a stash of money. Creepy and classic. ★★★★★

Pacific Rim

(Warner Home, DVD £10, Blu-ray 3D £14)

Fans of Guillermo del Toro's more lyrical films – *Pan's Labyrinth*, *The Devil's Backbone* – may have been disappointed by this, but they were warned. It promises robots vs. monsters, it delivers robots vs. monsters. It's silly, it's shallow, it's fun. Actors declaim corny lines, big things clash. It's fine. The end. ★★★

The People Under The Stairs

(Arrow Video, Blu-ray £12.34)

It might not be as well known as some of Wes Craven's other films – *Scream*, *Nightmare on Elm Street* – but this is as good as any of them. It's not jump out of your seat scary, but the story of a couple of kids aiming to rob their landlords and trapped in strange house full of genuine weirdos is funny and cultish. Everett McGill and Wendy Robie are a hoot as the dominatrix tenants. ★★★★

Classic Corner

It's A Wonderful Life

(Universal Pictures, Blu-ray £11.22)

Yet another re-release for this? You might see it as cynical – after all, the only 65th anniversary bonuses included are some postcards – but a repeat viewing of this will soon thaw that icy heart. It's definitely a film best enjoyed at Christmas, Frank Capra steering away from his trademark Capra-corn to deliver some truly bleak moments before a rousing audience that will extract tears from the hardiest of viewers. Donna Reed charms, but it's Jimmy Stewart's multi-faceted performance that stays with you. ★★★★★

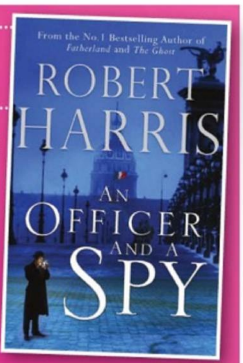
An Officer And A Spy

Robert Harris (Hutchinson, £18.99)

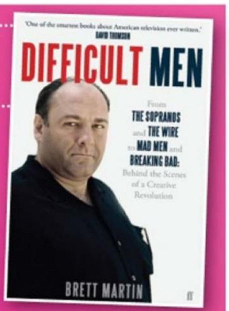


From the No.1 Bestselling Author of Fatherland and The Ghost
ROBERT HARRIS
AN OFFICER AND A SPY

You may be familiar with the Dreyfus affair from history lessons at school – and Emile Zola's stinging *J'Accuse* – but Robert Harris has turned it into a masterly piece of fiction. We see the affair through the eyes of army officer George Picquart, who goes from joining in with the unthinking outbreak of French of anti-semitism to investigating the truth beyond the official version. Gripping from start to end.

Difficult Men

Brett Martin (Faber & Faber, £14.99)



DIFFICULT MEN
From THE SOPRANOS and THE WIRE to MAD MEN and BREAKING BAD: Behind the Scenes of a Creative Revolution
BRETT MARTIN

Reading writing about TV can often make you wish you were just watching the TV they're writing about instead. *Difficult Men* takes a different tack, exploring the people – showrunners – who've brought classic series such as *The Sopranos*, *Mad Men*, *Breaking Bad* and *Deadwood* to our screens. They're an interesting, complex bunch, and this affords a valuable insight into how great TV gets made.

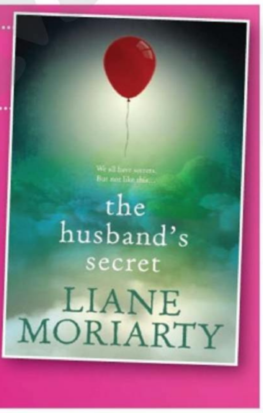
The Circle

Dave Eggers (Hamish Hamilton, £18.99)

Eggers has been on cracking form recently – we loved *Hologram for the King* – and here he takes on an issue that troubles many of us. When Mae goes to work for The Circle, the world's largest internet company, she thinks she's arrived in life, but is there a danger in having such all-encompassing internet freedom? What happens when one company is in control of your internet identity? Prescient, topical and a little bit scary.

The Husband's Secret

Liane Moriarty (Penguin, £7.99)



While we're making no great claims for this as literature, Liane Moriarty has crafted a page turner aimed at the kind of reader who loved *Gone Girl*. When devoted wife Cecilia finds an envelope in her attic marked 'For my wife – to be opened only in the event of my death' – and opens it, the effects ripple outward and change everything. A superior potboiler with interesting twists. ♣

The main downside of the miniaturisation of cameras and video cameras is that every twat at a concert thinks he's a cameraman. You no longer just have to worry about craning to see past a tall person, but past all the twats waving their cameras in the air. But if you're going to film stuff, why not do it on something decent? This mid-level gem has a motorised zoom that works a gem (and goes up to 55x magnification), and it negates wobble by using a pretty nifty floating lens. Packed with features, it might be clunkier than your iPhone, but it takes better videos. It probably gets a better phone signal too…

Pros: Nice zoom, floating lens works.

Cons: A lot of competition at this price.

Lytro Camera

www.lytro.com

£399

This camera's headline sounds great: it captures a stack of light information, allowing you to refocus a picture after you've taken it. It's also small, eminently portable and looks great. But delve in a bit deeper and it's more a good idea waiting for the technology to catch up. For £400 (or £300 if you search online) you get a camera that takes pretty low res shots, and the view screen is more or less redundant. And how often are you going to want to refocus pictures? So it's a curate's egg now, but as it develops, we expect to see this tech applied in much better ways.

Pros: Looks great, tech is useful.

Cons: Resolution is poor, expensive.

Smartphones get more and more stacked with features by the month, and the price rises accordingly. You can probably refurbish your bathroom or get a spiffy deep pile carpet for the price of something you'll use to instagram pictures of your dinner these days.

This isn't your sleek, lightweight phone – its garish, chunky and, actually, quite something. For starters, its camera is actually heavyweight, delivering 41 megapixel pictures with a flash that works. And, you know, it's a phone, it's got the internet, it makes calls. Whether it's the one for you might be largely an aesthetic judgement, however…

Pros: Tremendous camera and features.

Cons: Small, light and cheap it ain't. ♣

Well, that's the order of the day here, as hot girls take time out from their application of the Dewey Decimal System to work on some wangs. As all possible porn feature topics are exhausted, it's perhaps inevitable that we now get one based around catering. We think a British equivalent should be based on a ubiquitous street food stall – a pop-up pop shot film, if you will. Whatever the hack-neyed theme, Digital Playground always succeed by throwing enough eye candy at the project to rot your retina. HOLLY

PHOTOS: SAGE STYLE

For our inaugural Teenage Licks – our occasional new feature highlighting a notable nude newbie – we couldn't have picked a fitter cutie than Holly. This 18-year-old from Cincinnati is actually very interested in politics and wanted to tell us her opinions on the recent US government shutdown. And then she stopped when she realised we were just looking at her boobs, bum and other bits. Sorry about that... ♣

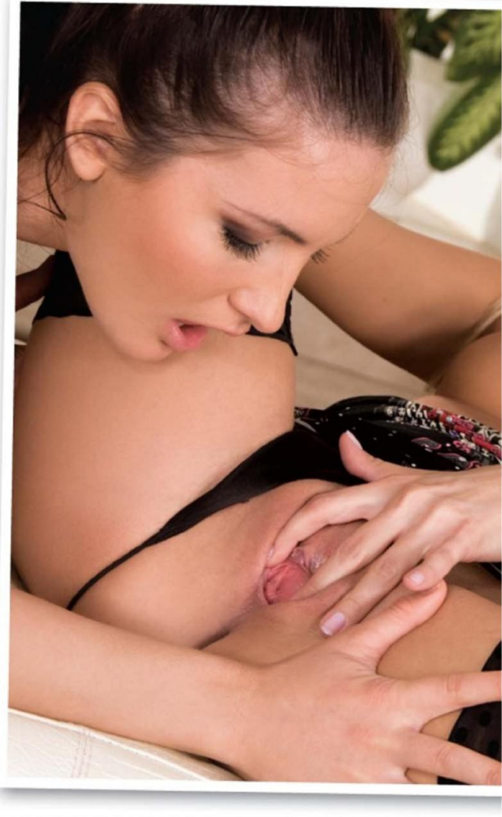
TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!



GOT THE PAINTERS IN!

Even though my boyfriend and myself read your magazine regularly, I've never thought of writing in before. However, I've got a confession that's just too naughty not to share with your readers! I live with my boyfriend in an old house, and we're spending quite a lot of time and money doing it up. Over the past six months we've had a succession of ongoing jobs, meaning a succession of workmen in and out of our house. Normally, I just let them in, make them a cup of tea and leave them to it. However, one of the painters who came last week got a little bit more than that!

He was so fit in a really rough and ready kind of way, and I instantly started flirting with him, even though he was there with another older guy. Each room he was doing I was in, making any chit-chat possible, whilst his colleague worked without distraction somewhere else in the house. He quickly picked up that I fancied him, and getting down from his ladder, he brushed past me, patted me on the bum and said, "Are you going to give me a hand in with some stuff from the van?"

With it parked right in front of the house, we entered the back of the transit and closed the doors, in full view of all the neighbours. In seconds, however, I was yanking down his overalls, as my tits flopped out from under my top into his cupped hands. Gripping his growing cock tightly in my hand, I tossed him off, knowing we wouldn't have long. We staggered around the van with our jeans round our ankles, me massaging and stroking his length and him sucking at my tits like crazy. I was so horny that I didn't even care that the other guy could easily catch us!

I had his dick, and was wanking it hard against my own exposed clit, which was sending an incredible sensation through me. His hands were running in the crack of my arse, toying with my back entrance. He lifted me carefully, sitting me down on a stack of large paint pots. I parted my legs like a wanton slut, running my own finger into my pussy, getting it even wetter.

Reaching forward for his cock, I took it tightly in my hand at the base, keeping it nice and rigid as I steered it into me. He was soon grunting and moaning while he slid his length in and out of me. My legs were up in the air, held behind the knees by his firm hands, and his balls were tickling my bumhole as he fucked me. "Harder," I was commanding, laying back and getting the banging of a lifetime on a pile of paint on a dirty old transit van. I reached back and held onto a rope used for tying stuff secure and gripped and pulled it taut above my head.

As I felt myself cumming I let out a groan of ecstasy, pulling the rope into my chest so I could tense all my muscles and prolong my orgasm. Wave after wave was rippling through my lower body and the guy couldn't take any more. The first jet shot into me, so I gripped his thighs tightly with mine, making him pump the rest deep inside. When he had finally finished, he drew his cock out of me, letting the final stream of cum dribble from my gaping hole onto the tins. I couldn't believe what a slut I'd been!

It was then that I snapped back to reality

“The first jet shot inside me, I gripped his thighs making him pump the rest deep inside”

and realised what we’d been doing! Hurriedly, we got dressed, just in time to see the other guy coming down the hall towards the van. I wonder if he told his friend about it? I bet he bloody did! I didn’t tell Sean, my boyfriend, but I may have a bit of explaining to do when he reads this!

THE GENITAL TOUCH!

I’m having an affair with one of the graduate trainees at work and, whilst we started off being very discreet, we now seem determined to get caught. We started off by going to hotels, but now we are constantly kissing and fondling each other in the lift, seconds before people get in, and we had sex in my office whilst the cleaners were on the floor above. I’m her mentor, so it’s crucial for my career that nobody finds out about it, however, I certainly didn’t think of this the other day!

We had to go on a day’s conference together, and I was supposed to be explaining how our company is represented at these meetings. Despite this, at each break in the morning session we were sneaking off like naughty school children to grope each other in any quiet part of the building we could find.

In the afternoon, we were booked in to a two hour presentation in what was like an old style lecture hall, where the seats go backwards and upwards away from the speaker. Sitting right at the back we had no one behind us or on either side, and Mandy rested her leg so it was touching me. Her skirt was tight around her thighs and she subtly raised her right leg up and down against mine, causing my dick to harden.

I had already stopped concentrating on what was being said, and when she threaded her hand under the files and handouts that were in my lap, my eyes glazed over as I tried to look nonchalant. No one was looking, but then she curved her hand over into my lap and gripped my shaft through my trousers and began to move it back and forth gently. I half-heartedly shook my head at her, but really wanted her to carry on.

However, I was still surprised when she undid the clasp on my belt, and began to slowly drag down my zip. It seemed to take forever, and each click sounded as if the whole room must be able to hear it. Her hand was now through my boxers, and as she grasped my dick tightly she leaned in casually and whispered, “Lift up your sheets.” I did this, providing a thin screen for when she yanked my pole out into the open. She didn’t waste time in tossing me off, dragging my foreskin back and forth rhythmically as

WorldMags

“I’ll probably suck his knob while I wait for the moist warm probing of my gash to begin”

her hand pounded up and down between my legs. The papers were shaking and I was hunching over to one side, obscuring what she was doing, sweating with excitement and the fear of getting caught.

She stared ahead smiling the whole time, her body virtually still apart from her forearm moving at an incredible speed. She knew my dick well, and sensing I was about to cum took her hand away sharply and caressed my balls, leaving my length throbbing with anticipation. Her hand suddenly returned to it, and in two quick strokes a jet of spunk shot an inch in the air from my swollen tip and then seeped out all over her hand as she squeezed it at the base. My load seemed to keep coming and coming.

My eyes then scanned the whole lecture theatre and everyone seemed still engrossed in the presentation. It suddenly dawned on me how risky that was and thought about how impossible it would be to talk my way out of this one! Mandy flashed me a wickedly innocent smile and I then had the rest of the two hours to regain my composure and let my trousers dry!

TONGUE TRIED!

My man Gary’s tongue is better than any cock I’ve experienced. Maybe it’s because of all the exercise it gets stuffing in and out of my cunt, but all I have to do is see him lick his lips or eat an ice cream and my love juices start flowing, ready for a good tonguing. It isn’t just the length that gets Gary an oral ovation every time he performs. I just love the way he focuses the tip on the perfect spot between my lips and varies the intensity to suit me until I’m climaxing in his mouth.

My favourite position is for Gary to lie on his back while I squat over him facing his feet. The close-up view of my fanny and arsehole only inches from his face soon makes his cock spring to life. He’ll lick the top of my thighs and slide his tongue down the outside of my lips, ‘accidentally’ slipping between my bumcheeks for a quick tickle of my anus. I’ll probably suck the end of his knob while I wait for the moist warm probing of my gash to begin, then I’ll sit down hard on his face so his tongue plunges deep inside me.

The big advantage of a tongue over a dick is the fact Gary can bend, swivel and twist his mouth muscle while it’s embedded in my gash and he can keep this up for ages. How the poor bastard manages to breathe with me squatting on his face, I haven’t a clue. With all the pumping and churning going on inside, I can keep my orgasm at bay for fifteen minutes. Then I’ll give my clit a few rubs and send myself over the edge, leaving Gary to gulp down as much of my sticky love juice as he can. So if you’re ever too drunk to fuck and want to please your lady; let your tongue do the walking.

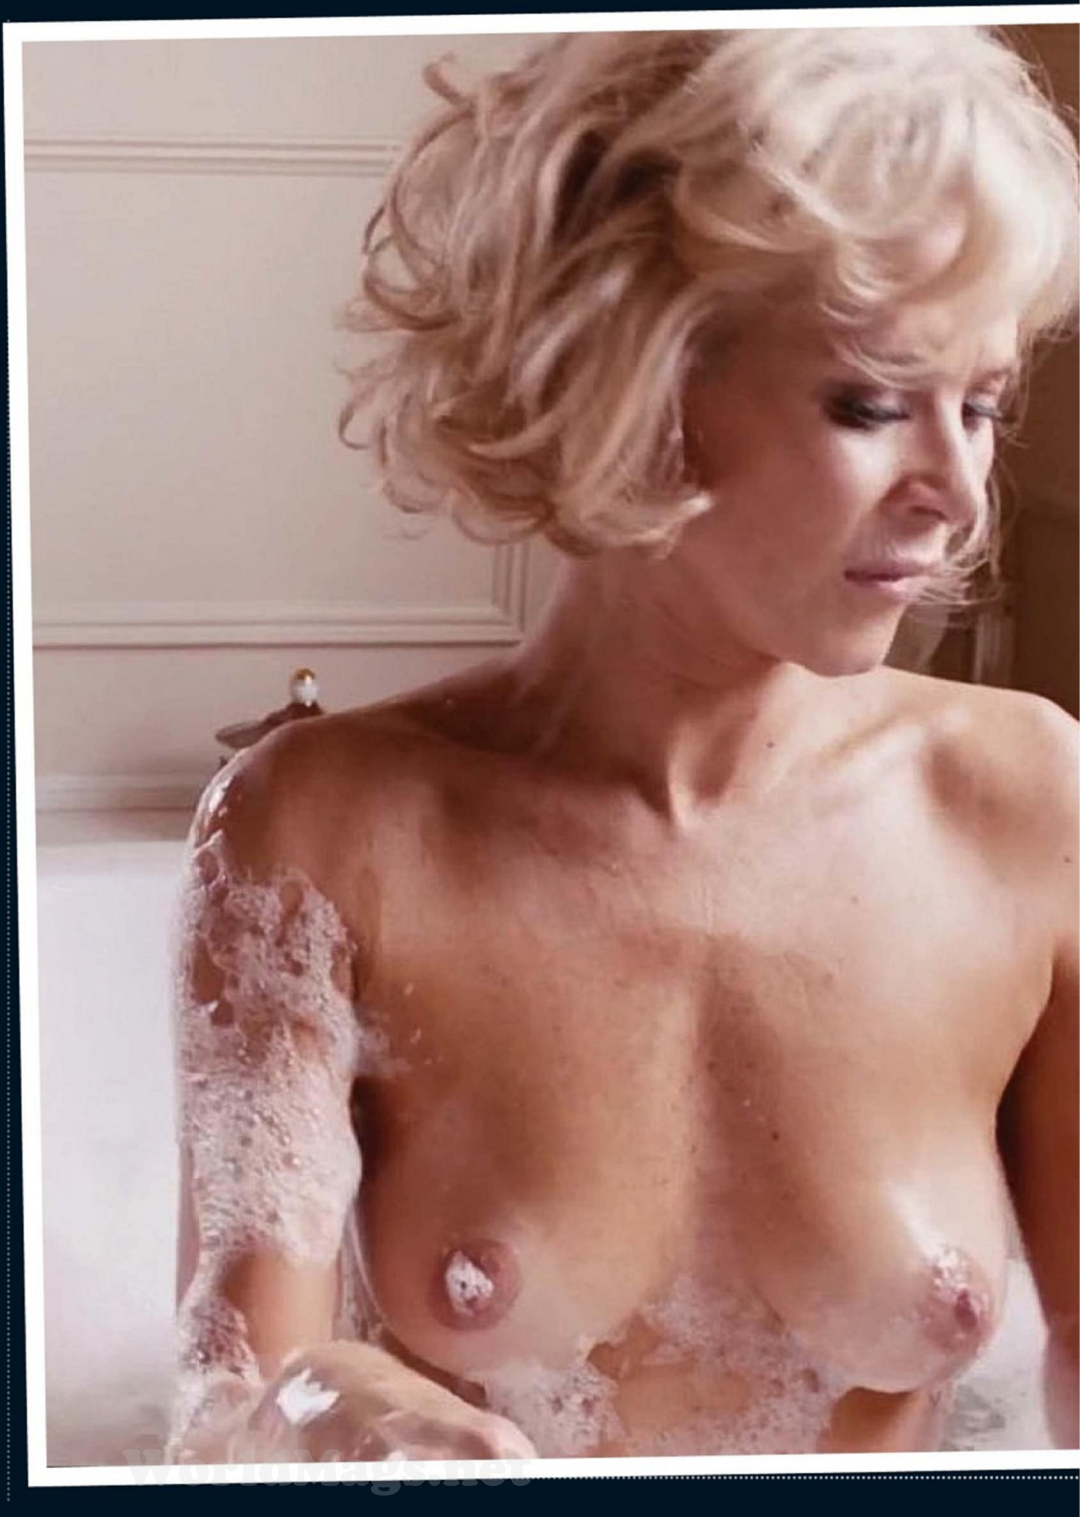
THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...



Yes, yes, yes, we know we've had the lovely Anna Friel in these pages recently. But not these shots, we haven't. They're taken from *The Look Of Love*, the biopic of our late founder Paul Raymond, and starring one or two staff members from your ever lovin' *Club* (that 'Publisher No. 2 ' is quite the hunk). We didn't get to work with Miss Friel on set, but if we had, we'd have been in charge of this bubble bath. And we'd have hidden in it... ♣

TALES FROM THE REAR!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BATH BUMMED!

I want you to come and join me in here now. We're going to have a little splashy fun together. Another advantage of bathroom over bedroom – I'm all squeaky clean now, so I'm not too shy to ask you to tongue my arsehole. I'm just going to turn over on all fours like a doggy, and point my bum at you. You're not in the bath yet, you're not even undressed. You come to the edge of the bath, kneel down, and are eye–to–sphincter with me. What a view!

My arsehole's pink, and perfectly hairless. It's sealed tightly shut at the moment, and I want you to loosen me up a little. You start licking the delicate tissue around my entrance in big, swirling motions, and I move my body along with you, gently rotating my hips in time with your movements. You zero in on my puckered little hole slowly, then, as you reach your target, start to apply more pressure with your tongue. My butthole yields just a little. You start to undulate your tongue, really using it like the muscle it is, and it yields even more.

Fuck, that feels good. You've penetrated me now, my arsehole is pulsing around your tongue, and my clit is throbbing in time with it. You remove your tongue, and go to replace it with your finger.

It slides in easily, thanks to your efforts to prepare me, and I sigh as it first enters me. I rear up towards you, so I'm on my knees. As you push it in a little deeper, then deeper still, my bumhole clamps down on your finger. That's good, but I don't want to reach boiling point too quickly. Your turn for some pleasuring...

You take off your clothes and get in the bath with me, so we're both on our knees, facing each other. I'm going to wash you now. I run my soapy hands over your neck, torso, and down towards your erection, which is poking proudly out of the foamy water. I'm going to make sure that's especially clean. Squeezing a little more soap into my palms, I clasp your shaft with both my hands, and slide downwards towards the base, revealing a bulbous, plum coloured helmet. It looks so tasty, I simply can't resist just bending down to give it as little lick.

Straightening again, I start to slowly pump your shaft, still using both hands. I grip you firmly and wank you with long strokes, so your foreskin goes over the rim of your helmet each time, increasing the sensation. My pussy occasionally bumps gently against your purple crown. We're both getting flushed now as our excitement's increasing – I'm breathing hard. I remove one hand from your shaft, and start to caress your balls.

> “You've penetrated me now, my arsehole is pulsing around your tongue and my clit is throbbing”

My touch is light and slick; I take both testicles in one hand and start to gently manipulate them, massaging them with my palms. My lips part slightly as I'm getting more excited groping you, and my hips start to buck almost imperceptibly. I'm picking up speed now, I love pleasing you with my hands and the feel of your thick, veined meat sliding in and out of my fist.

I know what I want now. Turning around, I lean with my elbows on the ledge of the bath, presenting my butt to you, quivering butthole and all. I spread my cheeks with both hands, stretching myself wide for you to see, and look at you with a cheeky grin. Get the message? You sure do. Moving forward on your knees, erection in one hand, you start to rub your prick up and down my crevice. It slides around in all the foam and water, stimulating my animal passion. I want to feel your thick length stretching me, I want you to fuck me hard and fast, to feel your cock pistoning in and out of me. But you make me wait. Still rubbing yourself against my tender flesh, you reach round with one hand, and start to play with my clit.

Oh yeah, I like that. Slowly and softly at first, waiting for me to desensitise. You settle into a rhythm, round and round, occasionally dipping into my cunt to feel my warm wetness, and draw it up to my clit. Mmmmm... you've done this before, I'm approaching orgasm already. I keep on

bucking back into your cock, it's still pressing against my sphincter, and I want to make you slip inside somehow, but you hold back. Fuck, here it comes! As my first few waves of pleasure pass over me, you jam two fingers firmly up my cunt, wanting to feel my spasms from the inside. The head of your cock is still resting against my sphincter, and you can feel the contractions of my muscles there too, my sphincter kissing your cock with little pulsing motions. Oh fuck...

As I push back into you with my spasms of pleasure, you push your helmet into my arsehole, prolonging the sensation and giving you one hell of an entry. Tight as a virgin? They don't even come close to a woman's butthole during orgasm, you just wait for the right part of the spasm and push, bit by bit. It drives me absolutely wild. It's unexpected, and prolongs my orgasm beautifully – I don't want it to ever end.

You remove your hands from my pussy and slide them up to my breasts, pulling me towards you, stilling me so you can go balls-deep. It's a slow, steady entry when I'm this tight, and my arsehole's still convulsing around your dick. My hot, wet flesh has you in a vise-like grip, but, with persistence, you get through. I can feel your bollocks against my cheeks and cunt, and know you're all the way in. Delicious.

> **“You draw your length out, all the way up to the helmet, making me feel every inch of you”**

Slowly, you draw your length out again, all the way up to the helmet, really making me feel every inch of you. I arch my back, pushing my butt up further towards you, trying to keep your length inside me. In this begging-for-it stance, I look back over my shoulder, and ask you to fuck me hard. You pump your length back in, slightly quicker this time, and all the way back out again. Your grip on my tits is firm, pulling me onto your shaft every time you thrust forwards – impaling me on your length. That's just how I like it. I'm looser now after my orgasmic clench, and you have more room for manoeuvre.

I pulse my muscles in time to your movements. You start to pick up speed, ramming yourself into me, so I jerk forwards over the shelf of the bath. You move your hands back to my hips, so you can go faster, harder. Thrusting into my tight sphincter repeatedly, you lean over, and whisper in my ear how you know how much I like this, being fucked hard in the butt like a dirty slut, that you're going to fuck me even harder.

“Yes... please,” I sigh at you.

Gripping me firmly by the hips, you piston yourself in and out of me. Your body slams against my bum as you ram home. My breath is coming in gasps now, as yet another orgasm is on the horizon. As you force yourself in and out of me, pinning me to the side of the bath, I sneak a finger round to my clit and start playing. The water's splashing all over the sides of the bath, but neither of us give a fuck.

“You're going to take my spunk inside you soon, and you're going to fucking love it,” you grunt, pushing me down onto the bath-shelf with one hand, pinning me to the spot as you pump your thick meat into me. With a final mighty thrust and shouting: “Take it!” you spurt your load inside my hot, twitching arsehole. I can feel each hot splurge of jism as it splatters against my rectum walls, and it triggers my orgasm.

Pinned against the side of the bath, my arsehole hot and raw from your passionate screwing, I cum like a fucking freight train. My tight hole spasms around your length once more, squeezing another jet of jizz out of you. You feel enormous inside me and, as you pull out, you leave me feeling empty, but satisfied. Your spunk trickles out of my hole and down my thighs, soothing my behind. I might have to taste some of that...

At least we don't have to worry about the mess. We're in the bath, it'll be off in a jiffy!

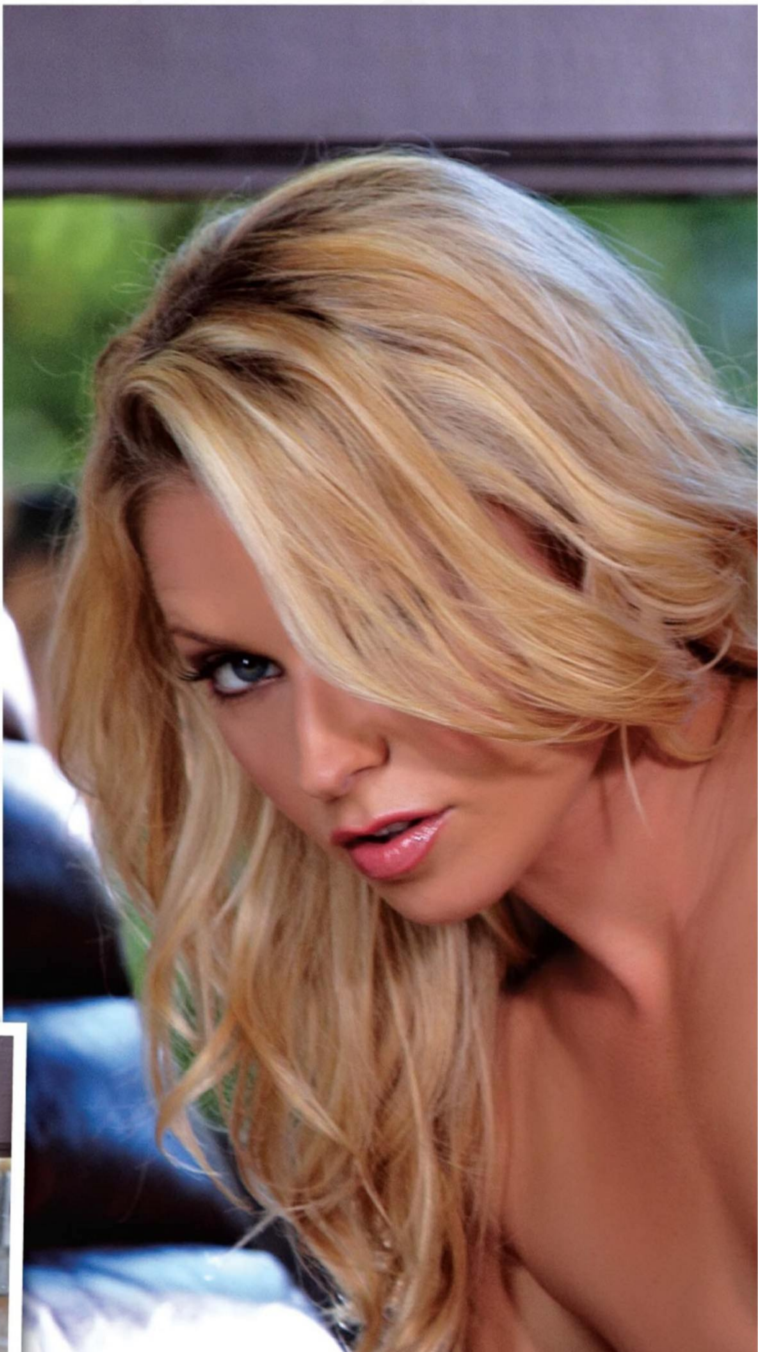
LENA ♣

Back for the first time...



It's Lena Nicole's second appearance in *Club*, but with over a year between photo sets, she thought she'd done something to offend us.

"The photos of me were pretty nice, I thought," the Cali cutie says. "And then nothing. Did you not like them? Did the readers complain?"

Of course not. It's just that there are so many girls, and so few pages. And, you know, no-one actually sent us any more photos of you.

"You could have asked for some! Isn't that what you guys do?"

Sometimes. We feel bad now. Maybe it's shame because of what we did to ourselves with those first pictures... ♣

What our well-placed moles are telling us this month...

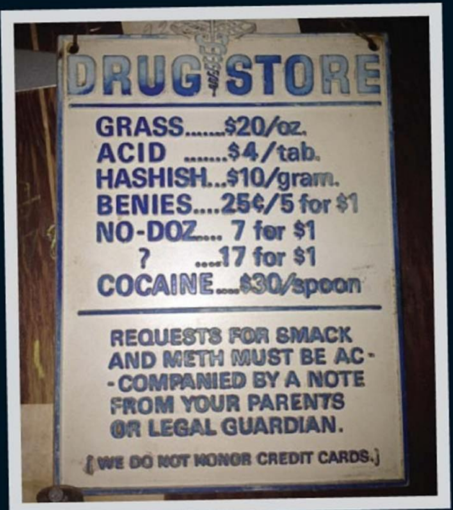
DOWN THE WIRE

FLEXIBLE FIEND!

Dallas News recently reported that Ogiesoba City Osula, who was arrested in 2011 in a Cincinnati Suburb after being caught with $300,000 in cash, debit cards and money orders, attempted to chomp his way through the evidence whilst awaiting questioning. Unluckily for him his appetite wasn't up for the job as he only managed to eat one of the incriminating debit cards. Osula was convicted of 16 counts of fraud in a relatively painless process, which is more than can be said for trying to pass that debit card.

DRUG STORE!

Recently a charity shop in Seattle received an unusual donation. Unfortunately the specialist item wasn't something they could re-sell. An employee at the unidentified store reportedly found 2.5 pounds of marijuana in the donation bin and immediately notified the police of the spliffing donation. Seattle police sent the item for destruction and released a helpful notice:



DRUG STORE

GRASS.......$20/oz.
ACID ....$4/tab.
HASHISH...$10/gram.
BENIES....25¢/5 for $1
NO-DOZ.... 7 for $1
? ....17 for $1
COCAINE....$30/spoon

REQUESTS FOR SMACK AND METH MUST BE AC-COMPANIED BY A NOTE FROM YOUR PARENTS OR LEGAL GUARDIAN.

(WE DO NOT HONOR CREDIT CARDS.)

Donating to thrift shops is a terrific way to give a second life to your well-loved velcro sneakers, keyboards or flannel zebra jammies. However, thrift stores cannot accept the following items:

Tires
Soiled mattresses
Laptops
Large bags of marijuana

BELLE OF THE BALL!

55-year-old Curtis J. Hutchings put his best frock on and carefully made himself up, which we imagine went down well when he ended up in jail. Hutchings was spotted in the carpark of Belleville East High School, Illinois by students who believed he was involved in lewd conduct. On approaching Hutchings' vehicle, certain products in plain view confirmed the lewd conduct. Hutchings was promptly arrested and charged with one count of public indecency. There is no dignity in this...

Come on, you know you want it!

QUIBBLED NUTS!

One adventurous squirrel cost a Tennessee police officer more than the last bite of his Snickers. Jody Putman was relived of duty from the Mountain City Police Force after an incident at a dollar Store. Officer Putman discharged his firearm at the rascal rodent after stepping in for animal control, who were unavailable at the time. Consequently it was later felt that there was a more appropriate form of action that could have been taken, so the Board of Mayor and Alderman fired Putman, who had over two decades of experience. ♣
